Dear Mr. Hedberg:

Mr. Don Seehusen is no longer associated with Idaho Quartzite Corporation and your request for annual report data was forwarded to me. After much searching and several phone calls, I have determined that Idaho Quartzite no longer holds ML 43106 as a sublease from Mr. Max Cooper.

Therefore, since there was apparently no activity on the property on behalf of Idaho Quartzite Corporation, I am returning the annual report form to you. Perhaps the owner of the lease, Mr. Max Cooper, has more information regarding the property.

Yours truly,

Kenneth M. Hollenbaugh, Ph.D.
